Sub: All-India Essay Writing Event 2012

Respected Sir/Madam,

In pursuance of its commitment to the moral, ethical and spiritual development of the youth, **Shri Ram Chandra Mission** an educational and spiritual service organization, takes pleasure in announcing the All-India Essay Writing Event 2012.

Every year, in partnership with the **United Nations Information Centre for India and Bhutan** and through the active involvement and cooperation of forward-looking and open-minded institutions such as yours, SRCM seeks to reach out to the young people of the nation, with the conviction that the future rests on their slender shoulders.

As moulders of the youth, educational institutions are the primary incubators of a nation's future, and we take this opportunity to congratulate and thank you for your commitment to this invaluable cause.

The essay event invites the youth to introspect and write on topics which deal primarily with values and inner change. These carefully chosen topics provide an opportunity for students to take time out from the rigorous demands of modern education to think deeply about their character development.

On this note, we invite the participation of your esteemed institution in this event, and ask you to join hands with us and other like-minded institutions across the country.

We request you to kindly grant our representative an opportunity to present the details of the event to you.

You may also visit our website www.sahajmarg.org or write to us at essayevent@srcm.org for any clarifications/suggestions.

With our thanks and best wishes,
